WE DESIGN DREAMS

ABOUT US

We take an opportunity to introduce ourselves as one of the most successful and recognised fashion and beauty academy in Maharashtra (India) to acquire the taste of success in a span of 10 years from its day of incorporation. Indian Fashion academy is run by MAHARASHTRA KALA SHIKSHAN PRASARAK MANDAL (MKSPM) a Public Trust under section 18 of the Bombay Public Trust act, 1950. at Sr. No. Maharashtra State/Mumbai/178/2005/G.B.B.S.D

The basics of all the subjects are imported as compulsory training to enable a student to be at ease in all the departments of industry. The course aims at placing the students in high professional level in the export as well as domestic market.

IFA students are trained by professionals whose careers and course work go hand in hand. We train the students with difference far beyond the theoretical. Renowned fashion designers and beauticians serve as critics to students and help them in end-of- semester fashion show.

WHY IFA

IFA provide International internships to deserving students

IFA students are trained by professionals whose careers and course work go hand in hand.

IFA trained the students with difference far beyond the theoretical.

Renowned fashion designers serve as critics to students and help them in end-of- semester fashion show.

A track record of over 5000 + students from Maharashtra and all over India.

IFA is the only fashion institute to have its own text books.

IFA is the only Fashion Institute to starts its own costume Designing Department to give on job practical training to the students.

IFA provides 100% Placements to deserving students.

CEO SPEECH

Dear Students & Parents,
Indian Fashion Academy established in 2001 in Mumbai, Maharashtra (India) and is a leader in Fashion & Beauty Education in Maharashtra. I feel Very proud to say that more than 5000 students have passed out from Indian Fashion Academy since its inception and doing great in there fashion career

Indian Fashion Academy also became the first ever institute in India to be included in The list of French Consulate as a best fashion institute of India.

I attribute the success of Indian Fashion Academy to the professionalism of lecturers and our commitment to producing top students who are able to find employment in the industry at all levels. The success of our students locally and abroad is a sure gauge of the quality and standard of our courses. I am confident that in making Indian Fashion Academy of your choice, you will enjoy the safe, uninterrupted and creative environment we offer. I feel a special commitment to each individual and that individual's goal. To this end the academy places emphasis on the educational, professional and personal growth of each student.

It is our responsibility to bring out the best that each students has to offer. students should expect a great deal from us, but also be willing to give a great deal in return. Co-operation between teachers and students is necessary in order to achieve the professionalism necessary for career advancement

Wish you best of Luck

RAKHI RATHOD
CEO

COURSES After S.S.C/H.S.C

The Diploma Courses in Fashion Technology prepares you for careers in fashion designing, production and retailing.
